Letter of the Church Wardens which accompanied the petition

My Lord

We have the honour to enclose herewith a petition addressed to you Lordship praying for the removal of the Rev. Mr. Bourne from the charge of the Congregation at this place and that he may be replaced by a Clergyman from the Mother Country to which we beg to call your Lordship's serious attention, as the Church Wardens in office we are called upon by the Subscribers to this Petition to urge the necessity of your Lordship's speedy reply, as the interest of the Church is at Stake. With sentiment of the most profound respect

We have the honour to be
Your Lordship
